LEAP Connect is delivered to students from February 5 to March 16, depending on the individual schedules of schools. What are the practical tests? This year, students in degrees 3-11 can take tests of the arts of the English language (ELA), mathematics and and social studies to help them prepare them for the state tests LEAP 2025 throughout the State administered towards the end of the school year. Teachers use practice tests to better understand the structure of the tests and the types of questions that are asked. The practice tests can help you better how the classroom work test is compared, and see the types of questions from ELA, mathematics and social studies that your child must in class. Talk to your child's teacher to see how 3 plan to use the practice tests as part of your lessons and how you'll be able to help your child walk through the home test to help familiarize him or her with the test. HOW DO I ACCESS THE PRACTICES?The 2018 LEAP 2025 Practice Tests are available for ALS, Mathematics and Social Studies in grades 3á2á211.3á211.
